

Questionnaire for Online Math 840 Introductory Algebra

Is online Math 840 right for you? The following questions can help you decide. For each question, choose the answer that is most appropriate – be honest – then follow the instructions at the bottom of the page. This online math course requires the use of D2L to access course materials including video lectures and MyMathLab software to access online tests, HW and the textbook. You are also encouraged to turn in written HW electronically.

Answer the following questions to decide if an online math course is right for you:

- | | | |
|--|-----------|-----------|
| 1. I have a very busy schedule this semester (with work, family, other classes, etc.) and I am not going to have a lot of time to work on math outside of class. | No _____ | Yes _____ |
| 2. I have daily access to a computer with high-speed internet access. | No _____ | Yes _____ |
| 3. I am comfortable with computers and have basic computer skills. | Yes _____ | No _____ |
| 4. I frequently struggle with procrastination and have difficulty keeping to a schedule. | No _____ | Yes _____ |
| 5. I am prepared to spend a minimum of 12 hours a week (2 or more hours a day) working on math. | Yes _____ | No _____ |
| 6. I have good study skills and work well independently. | No _____ | Yes _____ |
| 7. I have difficulty learning math on my own. | Yes _____ | No _____ |
| 8. I learn math well when working on my own and can usually understand concepts from reading a textbook or watching videos. | No _____ | Yes _____ |
| 9. I have access to the Math Center on campus or have someone who can help me if I have any math questions. | No _____ | Yes _____ |
| 10. I am able to watch videos on my computer. | | |
| 11. I have a scanner and am able to submit work electronically. | | |

Column A **Column B**
Yes _____ No _____

If you checked more than 3 items in column A, you should NOT take Math 840 online. You should drop this class and enroll in a face-to-face Math 840 immediately.
